

2017-18 All Saints School Supply List

Additional supplies may need to be purchased once school starts, and once student schedules are set. However, this should be the majority of what is needed. DO NOT label supplies with names unless otherwise noted.

Again this year All Saints has partnered with ClassBundl to provide you with an easier way to purchase the majority of your school supplies.

Visit their site www.classbundl.com and search for our school. From there you can select the grade levels of each of your students. If you already have an item in the bundle, remove it. If you'd like to order more than the minimum, increase it. Please take special notes of the instructions at the top of each bundle as there may be unique items not offered through ClassBundl that you will need to purchase separately. Classlists (homeroom teachers and schedules with electives) will be available August 1st after noon. Additional supplies may need to be purchased once schedules are set.

All Saints will receive a 5% cash rebate from the purchases made through ClassBundl. ClassBundl takes the supply lists that our teachers make and matches the requested supplies to name-brand products to create 'bundles'. The more people that use this service, the more All Saints benefits. Check out the FAQs on their website for all the great information about this company.
