

## Dear Parents of 8th Graders,

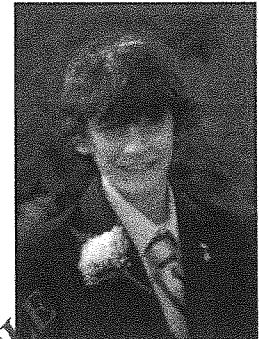

Traditionally, we have a special section in the yearbook for the eighth graders, including a quarter page full color spot per student with a current picture (spring class picture is often used), a baby picture (professional or snap-shot), and a dedication from parents or loved ones. A sample is shown.

The fee for this 1/4 page dedication is \$25. The spot is optional, but typically we have full class participation. The students look forward to this and enjoy picking out the photos. Ideally, photographs chosen should be crisp and clear. So start picking those photos and writing your dedications!

Please send in your student's current and baby photos (one of each); your dedication; and your order and check made out to All Saints Catholic School in an envelope marked, "Yearbook-8th Grade Dedication", by Thursday, **March 31, 2011**. Mrs. Klindera will be collecting these envelopes.

If you have any questions, contact Leslie Mulder (355-8029).
