

# SERVICE PROJECT VERIFICATION FORM

Thank you for accepting this opportunity. Here at All Saints Catholic School we regard putting in regular volunteer services hours as forming the habit of charity, which is considered a product of faith as well as the oldest and truest method of evangelization. Hopefully, fulfilling our school's service requirements will be a contributing factor in transforming all who are involved in these various service projects into reflections of Our Lord Himself, who is both the Good Shepherd and the Suffering Servant.

Specific requirements for service projects for each grade are described below.

- ✓ 6<sup>th</sup> grade: 3 hours per semester of service to the school or community
- ✓ 7<sup>th</sup> grade: 4 hours per semester of service to the school or community
- ✓ 8<sup>th</sup> grade: 5 hours per semester of service to the community

Service hours are due on: Friday, December 20, 2016 and Friday, May 12, 2017 .

Please note that while we prefer supervisor signatures, parent signatures for service projects will be accepted. Also, please be sure to encourage your project supervisors to fill in comments as this will help with student evaluation. Thanks again for your fine representation of our school.
